Entrepreneurship Development Program (21.02.2019)

The department of Nutrition and Dietetics conducted one day program titled "Entrepreneurship development program = Training in food product development" to the students of Government Arts and Science College, Hosur on 21.02.2019 in response to the request received from that college. Totally 23 students and 2 faculty members participated in this training program. The participants were briefed about the preparation of preserved products namely tomato ketchup and mixed fruit jam and bakery products namely biscuits and cakes. They were given pamphlet containing the procedure for the preparation. A hand on training was given to them for the preparation of these products by our staff members. All the students from Hosur enthusiastically participated and gave a positive feedback about this program. At the end of the program, certificates were distributed to all the participants.

Breastfeeding week celebration 02.08.2019

The Department of Nutrition and Dietetics organized a program on 02.08.19 to celebrate "Breastfeeding week" titled "Empower Parents Enable Breastfeeding" in Bharathi Arangam of our college. The program was held under the guidance of our Head of the Department Mrs. S. Gayathri Devi, our Principal Dr.S.S. Rosemarry and all staff members of the department. Dr. Mrs.H.Avina Venmani Stalin, B.N.Y.S.,(Sri Yoga and Naturopathy clinic , Barugur) was invited as the chief guest and she delivered a speech on the topic "Empower Parents Enable Breastfeeding"

The program was started with Tamizhthai vaazhthu song and the momentum was given to the principal and the chief guest by our HOD. The chief guest Dr.H.Avina explained about Breastfeeding week celebration and its history, importance of breastfeeding and health benefits to lactating mothers and babies with related power point presentation. Around 116 students of UG &PG studying Nutrition &Dietetics department and 146 students from other departments who are married and pregnant also participated in this program.

All the students and staff listened with full involvement. At the end of the program, the students from various departments raised many doubts regarding breastfeeding. Discussion was held and doubts were clarified by the doctor.

Finally vote of thanks was given and the program was successfully completed with National Anthem.

Skill Development Training Program – I (Food Preservation)

Date : 30.03.2022

The IQAC, EDC and the department of Home Science jointly organized a “One Day Skill Development Training Program in Food Preservation” to our college students on 30.03.2022. This skill development training was imparted to the students with the objective of developing the entrepreneurial skill in the students. This training program, which was conducted in two sessions consisted of preparing value added products of tomatoes such as tomato pickle and tomato ketchup in first session and preparing pineapple squash and mixed fruit jam in the second session. The benefit of seasonal availability of ingredients was enjoyed as the main ingredients chosen were seasonally available at a cheaper rate now. The products were chosen for preparation in such a way that they were liked by people of all age groups.

Totally, 42 students from various departments had registered and participated in this program. This was coordinated and conducted by the faculty members of department of Home Science. All the products prepared by the students came out well and liked by all. At the end of the training program, certificates were distributed to all the participants by our principal Dr. B. Pramila madam. The participants thanked the organizers for arranging such a useful program and requested to conduct many such skill development trainings in future.
