Importance of Yoga

21.06.2021

YOGA

- The United Nations General Assembly established 21 June as "International Day of Yoga", celebrated annually in India and around the world in 2015.
- On 1 December 2016, yoga was listed by UNESCO as an intangible cultural heritage.
- The impact of postural yoga on physical and mental health has been a topic of systematic studies, with evidence that regular yoga practice yields benefits for low back pain and stress.

The screenshot shows the Windows 8.1 desktop environment. The Start screen is visible in the background with various colorful tiles. In the foreground, several application windows are open. The 'Chai' application is the most prominent, showing a list of messages. Other open applications include 'Task a participant' and 'Task a participant'.
