Skill Development Training Program – I (Food Preservation)

Date : 30.03.2022

The IQAC, EDC and the department of Home Science jointly organized a “One Day Skill Development Training Program in Food Preservation” to our college students on 30.03.2022. This skill development training was imparted to the students with the objective of developing the entrepreneurial skill in the students. This training program, which was conducted in two sessions consisted of preparing value added products of tomatoes such as tomato pickle and tomato ketchup in first session and preparing pineapple squash and mixed fruit jam in the second session. The benefit of seasonal availability of ingredients was enjoyed as the main ingredients chosen were seasonally available at a cheaper rate now. The products were chosen for preparation in such a way that they were liked by people of all age groups.

Totally, 42 students from various departments had registered and participated in this program. This was coordinated and conducted by the faculty members of department of Home Science. All the products prepared by the students came out well and liked by all. At the end of the training program, certificates were distributed to all the participants by our principal Dr. B. Pramila madam. The participants thanked the organizers for arranging such a useful program and requested to conduct many such skill development trainings in future.
